

X-Stream-ly
Awesome

9th Annual Loudoun Family Stream Day

Saturday, October 16th, from 10 to 3 at Claude Moore Park
21668 Heritage Farm Lane, Sterling (park at the Heritage Farm Museum)

Rain on a watershed model.

Play games and solve puzzles.

Have Fun!!

It's free! It's FUN! It's Educational! Everyone can participate and gain a better understanding of how, why and where Loudoun County streams and rivers flow and learn about the many plants and animals that depend on healthy streams for food, shelter and sustenance. Most importantly, your family can find out how you can help preserve and protect our county streams and the community of plants and animals they support. There will be lots of interactive activities and **special gifts** for those who collect all of their 'passport' stamps at the event. We hope you will join us for this great family event.

Event partners include: Our host, Claude Moore Park, Loudoun Wildlife Conservancy, Piedmont Environmental Council, Loudoun Water, Audubon Naturalist Society, Keep Loudoun Beautiful, Loudoun Soil and Water Conservation District, Loudoun County Agencies, and other Loudoun Watershed Watch member organizations. This event is co-sponsored by the Loudoun Environmental Stewardship Alliance (www.loudounnature.org).

Event will be held rain or shine. Visit www.loudounwatershedwatch.org for more information.
